Re: FY 2017 BSSC rates – no rate increase

The Bowerman Sports Science Clinic (BSSC) set its service rates in February of 2015 after carefully reviewing costs and facility usage levels with the help of the Research Core Business Services (RCBS) team. These rates were recently reexamined by the BSSC, its Faculty Advisory Committee and RCBS. We determined that they are in line with RCBS financial projections and do not require change at this time.

The rates are listed below on page two of this memo. If you have any questions regarding the rates, please don't hesitate to send an email to bssc@uoregon.edu, or call 541-346-4114.
